Perth

Dear N. Said:

We thank you so much for the telephone conversation we had this morning.

As we have informed you a high level delegation of the Oromia Regional State led by the Vice President will visit Perth after January 23, 2015 (the specific date will be notified later) to meet with Oromo Diaspora in your city and the surroundings.

The purposes of the meeting are:

- a) To brief on the objective situation (political, economy and social development) of the region,
- b) To brief on the Diaspora Housing Development Program and
- c) To brief on the upcoming Oromia International Diaspora Day

The venue will be in one of the big hotels in Perth, the cost of which will be covered by us. Therefore, as Chairman of your association, we seek your assistance to inform the leadership and members to attend the forthcoming meeting in Perth. The Diaspora Minister Counselor will call you on Saturday, 17 January 2015, for detailed discussion.

Kindest regards,

Ethiopian Embassy
